

### The 7th HKVCPEA China Private Equity Summit

The 7th HKVCPEA China Private Equity Summit was held at the Hong Kong Convention and Exhibition Centre on June 2, 2008.

From the first Summit in 2002 with less than 100 participants, it has since become an Annual event with ever increasing participation. This year marked its highest attendance of 245 comprising venture capital, private equity, buyout practitioners, professionals from banking, legal, accounting industries, business corporates and entrepreneurs.

The Summit maintains its reputation as an essential source of information where practitioners and service providers congregate to exchange the latest developments in China and updates on the regulatory and operational issues of the vast and changing China market. The Summit is unique in that it is organized by the practitioners themselves who have come together to share their invaluable experiences and insights in dealing with the increasing complexities of the market.

The topics covered represents the latest trends - Funds moving Onshore, comparisons of Offshore/ Onshore structures, regulatory and tax implications, the role of foreign VCs in local RMB funds. In addition, expert speakers examined the China A shares market, listing opportunities, the China leverage market, banks complementing PE investors, success factors in portfolio companies management.

The audience took away a great deal in cutting edge information and their feedback was excellent.
