Muddier Waters? An Analysis of Short Sellers

Full Speaker Bio

Stuart Witchell, Senior Managing Director, Global Risk and Investigations, FTI Consulting

Stuart Witchell is a senior managing director of the Global Risk and Investigations practice of FTI Consulting and he is based in Hong Kong. He oversees all investigative, business intelligence and risk mitigation consulting assignments undertaken by FTI Consulting in the region.

Mr. Witchell has significant experience in the conduct of sophisticated business intelligence and reputational due diligence assignments in Asia and globally; major fraud and FCPA investigations; in securities class action litigation; in multi-jurisdiction asset searches; in discreet strategies to assist with hostile take-overs; in provision of evidence for litigation support, including anti-dumping cases; in consulting on brand protection and product counterfeiting issues in emerging markets; and in crisis contingency planning and response.
