HKVCA PRIVATE EQUITY FUNDAMENTALS COURSE 2015

This comprehensive training course is designed for those wishing to increase their knowledge of the core fundamentals of private equity and venture capital. It represents an excellent introduction for beginners who are considering entering the profession. It is also an opportunity to refresh and upgrade the skills of existing professionals within the industry.

The modules are led by recognized and highly respected practitioners and experts with years of experience in deal-making, structuring, value-creation and exits. Instructors draw on real case studies so as to illustrate and share in a practical way the many lessons they have learnt over the years.
