

HKVCA Luncheon Talk – 28 June, 2018

Technological improvements in Private Equity

Speakers' bios

Andrew Kehl, CAIA,

Global Head of Sales, Preqin Solutions

Andrew Kehl currently manages the global sales & business development effort for Preqin Solutions and is based in New York. Andrew has helped to establish and implement the go-to-market strategy for Preqin's Solutions division since 2015. Prior to Preqin Solutions, Andrew held leadership positions with Preqin's North American data business. Prior to joining Preqin in 2012, Andrew held account management and research roles within Guidepoint Global, a primary research firm. He is a Chartered Alternative Investment Analyst.

Henry Wadsworth,

Head of Business Development, Asia Pacific, Preqin Solutions

Henry is Head of business development for the Asia-Pacific region and works out of Singapore. Henry helped manage set-up of the Asian sales operations in late 2016 and now manages the ongoing efforts in the region. Henry follows a successful two years for Preqin Solutions in London and previous sales positions in the Preqin data business.
