

Speaker's bio

Leonie Kelly, Director, Head of Sustainable Investment Consulting, Ogier

Leonie Kelly leads Ogier Global's Sustainable Investment Consulting team to private equity firms, asset managers, institutional investors, family offices, foundations and corporates working to integrate sustainability factors into operations and investment processes, and to navigate sustainable investment policy and regulation. As a respected voice in the industry with more than 13 years' experience as an expert in sustainable finance, Leonie is well placed to assist clients across the broad spectrum of sustainable investment solutions.
