

## HKVCA Webinar – December 8, 2020

### Speakers' bio

#### **Vjerana Burleigh, Principal, AlInvest Partners**

Vjerana Burleigh is a Principal in AlInvest's Secondary Investments team with a focus on preferred equity investments. Ms. Burleigh rejoined AlInvest in 2019 after four years at 17Capital, a specialist firm focused on making preferred equity investments in private equity funds and fund portfolios.

She first joined AlInvest in 2012 as part of the Secondary Investments team and prior to that was working as a central bank economist. Ms. Burleigh received a BSc in economics summa cum laude from Zagreb University and an MSc in international finance from Amsterdam Business School.

#### **Joe Ma, Vice President, AlInvest Partners**

Joe Ma is a Vice President in AlInvest's Secondary Investments team with a focus on sourcing & executing secondary transactions across Asia Pacific.

Joe joined AlInvest in 2013 after spending 3 years with Morgan Stanley in their investment bank division based in Hong Kong. Prior to Morgan Stanley, Joe received a BS in Business Administration from the University of California in Berkeley.

#### **Stefan Singer, Executive Director, J.P. Morgan**

Mr. Singer is an Executive Director working in the Cross Asset Structuring Group of J.P. Morgan's Corporate and Investment Bank. He is responsible for leading the firm's structuring efforts for private fund and fund-related financing opportunities. Mr. Singer's team concentrates on originating, structuring, and executing complex financing solutions for financial sponsors, family offices, and other investors. His group specializes in providing liquidity backed by fund LP interests, single private assets, and other special situations.

Prior to his current role, Mr. Singer spent over ten years in J.P. Morgan's Latin America business, focusing on bespoke financing, credit, commodities, foreign exchange, and interest rate transactions.

A native of Chile, Mr. Singer holds a Bachelor of Science degree in Operations Research and Industrial Engineering from Cornell University. He is fluent in English and Spanish.
