Cocktails & Networking

Harvard Business School Association of Hong Kong (HBSAHK) is pleased to present its fourth annual startup competition in partnership with the leading local incubators and accelerators in Greater Hong Kong. Our competition event will spotlight the most promising startups from the Greater Hong Kong startup ecosystem.

We will select 4 finalists at the end of the competition based on an audience vote. The finalists will go on to compete for the title of **HBSAHK Startup of Year** at our annual **HBSAHK Signature Conference** in January 2019.

Program of events is subject to change.
