THE 3RD CHINA-ISRAEL INVESTMENT SUMMIT:

BRINGING ISRAELI TECH TO HONG KONG THIS JUNE

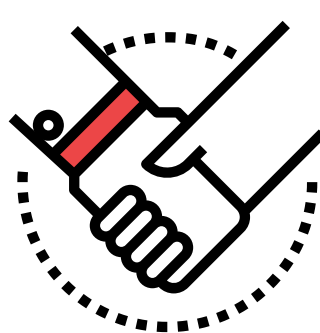

The China-Israel Investment Summit is the premiere facilitator of cross-border collaboration between Israel and China, bridging the gap between Israeli tech and investors in Asia. This year, the conference will set up in **Hong Kong** for its third edition, in an effort to expose local investors and influencers to the best and most promising of Israeli hi-tech.

The summit will take place on **June 26th** at the **Hong Kong Grand Hyatt**, and will give Hong Kong-based investors, corporates and industry leaders alike the opportunity to engage and connect with Israel's most successful tech companies from the sectors of Fintech, Life Science, Data Science, Internet & Mobile, AI & Robotics, Cleantech, Autotech, and Industrial Applications.
