

HKVCA Private Equity Fundamentals Course 2014

HK私投募資VCA

This comprehensive training course is designed for those wishing to increase their knowledge of the core fundamentals of private equity and venture capital. The course also serves to refresh and upgrade the skill set of professionals in the industry.

The modules are led by highly experienced industry practitioners - experts with years of experience in deal-making, structuring, corporate value-creation and exits. Instructors will utilize real cases as a way to illustrate and share insight gained through years of industry practice, providing in-depth technical and practical know how for interested participants.
